Chop the Log

Tom, Pip, and Dad went to look for a log.
"Here is a big log," said Pip.

"That log is too big!" said Tom.

"I can chop up the log," said Dad.

"Yes! You can chop up the log," said Tom.

"Look at the red dot on the log!" said Pip.

"Oh no! That is not a red dot,"
said Dad.
"That is a red bug!
Run! Run! Run!"
